

NO DEGREE FOR ANDREW CARD

We're going back!
Rally @ Whitmore
Tuesday @ 12:30PM

*Undergraduate, Graduate and Faculty organizations have passed motions calling for UMass to revoke the honorary degree for Andrew Card (**President Bush's former Chief of Staff and head of the White House Iraq Group**).*

We demanded that the administration withdraw this degree by 12:30 this Tuesday: We are going to Whitmore to see if that demand has been met.
